EXPLORE BERMUDA'S WRECKS

Descend beneath the waves into a majestic underwater world. Bermuda has been widely recognized as the shipwreck capital of the Atlantic Ocean. It was once called the “Isle of Devils” for good reason—the deceptive and treacherous reefs around the island have led to many a ship’s sinking. Beneath its clear waters, you can dive, snorkel or simply skim over more than 300 sunken ships dating from the 1600s to 1997. If you haven’t checked wreck diving off your bucket list, now is the time. Explore the largely intact remains of ships like the *Hermes* and the *Constellation*, or glide above large sea fans and symmetrical brain coral at one of several nearby reefs.

Itinerary

The ingredients for an ideal long weekend out here in paradise?

A solid dose of island life and British culture, full of tasty fish sandwiches, sunny pink-sand beaches and adventurous shipwreck dives.

Day 1: **BEACHES, CULTURE & COCKTAILS**

BERMY BUZZ: ROCK ISLAND COFFEE

Kick-start the weekend with a trip to Rock Island Coffee, which serves locally roasted coffee in a relaxed and friendly atmosphere.

PRETTY IN PINK: BERMUDA'S BEST BEACHES

Bermuda is home to some of the world's greatest beaches, so you'll definitely want to sink your toes in the legendary pink sand. Horseshoe Bay Beach is one of the top beaches in the world and a must see!

HISTORY AROUND EVERY CORNER: THE TOWN OF ST. GEORGE

Founded in 1612, the Town of St. George, a UNESCO World Heritage Site, is the oldest continually inhabited English settlement in the New World. Be sure to visit Their Majesties Chapell St. Peter's Church—the the oldest Anglican Church in continuous use outside of the British Isles.

FRIDAY NIGHTS: PICK YOUR PARTY

Bermuda does weekend nights right, no matter the season. Set sail on a sunset cruise or kick off your shoes and cosy up to a beach bonfire at Tobacco Bay.

Tobacco Bay

Day 2: BE ONE WITH NATURE

RIDE THE RAILS: THE BERMUDA RAILWAY TRAIL

Spend the morning taking a cycle ride filled with island history and rich, flora-filled landscapes along the beautiful railway trails that run the length of the island.

EXPLORE: COOPER'S ISLAND NATURE RESERVE

Explore 12 acres of pristine nature reserve to spot seabirds, giant land crabs and ancient Bermuda cedar trees on Cooper's Island, at the southeastern tip of Bermuda.

EAT: THE WORLD'S FINEST FISH SANDWICH

It's served all over the world, but in Bermuda, the fish sandwich is a national obsession. Opinions vary, but many say that the island's best can be found at Rosa's.

Day 3: MAKING A SPLASH & SIPPING TEA

GOOD MORNING: THE CODFISH BREAKFAST

On weekend mornings, locals all over the island sit down for a hearty, classic codfish breakfast. It's a heaping plateful of boiled or steamed salt cod with boiled potatoes, onions and sliced bananas topped off with a hard-boiled egg and, occasionally, avocado slices.

GET WET: AQUATIC ADVENTURES

The sparkling turquoise ocean that surrounds Bermuda isn't just mesmerizing to look at—the island is a serious sport fishing destination, with waters filled with big-game catches like marlin, tuna and wahoo. If deep sea fishing isn't your thing, then hop aboard a jet ski to tour hidden coves and feed fish on a wreck in crystal clear waters.

ROYAL TEA: TRADITIONAL AFTERNOON TEA

Bermuda hits "pause" every day for that oh-so-British activity, traditional afternoon tea. One of the most popular spots for tea time is the Crown & Anchor at the Hamilton Princess & Beach Club.

FRONT STREET NIGHTLIFE

Grab a Dark 'n Stormy®—one of the island's signature drinks—and mingle with locals while bar hopping down Front Street enjoying a variety of live entertainment and local DJs along the way.
