Cher Président Hollande,

The people of Bermuda share the distress, the sadness and the horror experienced by the people of France following Friday's terrorist attacks in Paris.

We live far apart but share the values of freedom, democracy and brotherhood that France has championed throughout its modern history. When they are attacked, as they were on Friday in the capital, then you can depend on us to stand with you.

Our flags fly at half-mast in solidarity, our prayers are with the victims and their families, and our support for your efforts to defend the French people and our civilization is total.

Sincerely,

A handwritten signature in black ink that reads "Michael H. Dunkley".

The Hon. Michael H. Dunkley, JP, MP
Premier of Bermuda
