

PRELIMINARY CREW LIST

(with deficient sailors in red text)

As of 1200, May 31, 2016, the Bermuda Race Organizing Committee's records for the crew listed below in red text are deficient in one or more of the following respects:

- no Sailor ID was provided for Sailor Classification purposes;
- the Sailor ID provided is either invalid or will expire before June 25, 2016;
- the electronic waiver was not signed; and/or
- the sailor has been identified as a Captain/Person in Charge, and has not provided a Safety at Sea Certificate dated on or after June 17, 2011.

Sailors with any of these deficiencies (printed in red text below) are not currently eligible to compete, as per Notice of Race 5.3 or NBR SR 5.2.

All competitors must submit their valid Sailor ID and complete the electronic waiver on the entry system not later than 1700 on June 3, 2016.

Check your or your crew's Sailor Classification and Safety at Sea training status by logging in to <https://nbr.sailgate.com>; clicking Crews; the boat name; the sailor's name; and "Misc info and qualification."

Email entry@bermudarace.com if you believe this information is in error.
