Elevate teams up with Convergent to bring three top coaching workshops to Bermuda

Our Aim: Your Success

In working with some of our key clients in the past 12 months we have identified both individuals and organizations here in Bermuda striving to do more, to be more. We want to help. Our Coaching Sessions help high achievers identify a clear goal-focused path to success so that they not only reach their potential but exceed it.

Our Coach: Heeral Gudka

Heeral has a 15-year track record in the **City of London** and **Bermuda** Insurance market. Very few Executive Coaches can claim her corporate experience and understanding of the pressures of corporate life. From this vantage point she delivers workshops aimed at creating a culture of success for individuals and organizations.

Our Venue: Waterfront

Our meeting room at Ideation House, 94 Pitts Bay Road is comfortable, convenient and offers inspiring water views.
