LIVING #THEJMLIFE IN BERMUDA

WE'VE ALWAYS
LOVED BERMUDA

for its enchanting mix of British tradition and tropical culture. As soon as our spring collection was photo-ready, we packed our bags and headed off to the island. Favored by the international jet set for decades, Bermuda is as lovely as one of our signature paisleys. Between the pink and white sand beaches, sherbet-colored cottages and English gardens blooming with roses, frangipani, oleander and palmetto trees, it's a perfect setting for our colorful new clothing, accessories and swimwear for the whole family.

"The essence of modern Bermuda for the vacationer is here: crystalline water lipping against fine white sand in a cove of coral."

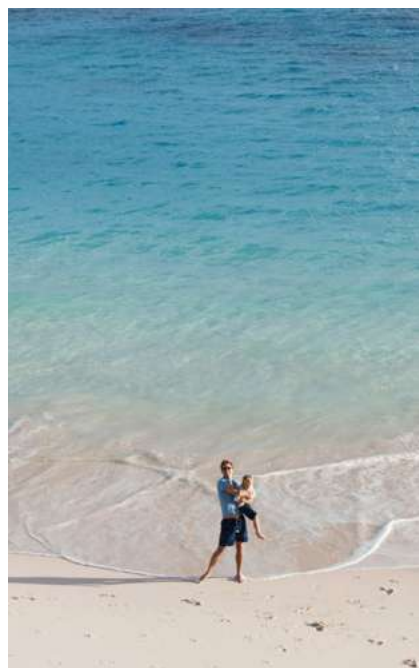

— HOLIDAY MAGAZINE, JUNE 1958

INSPIRED BY BERMUDA'S 17TH CENTURY MOTTO

“Whither the Fates Carry Us,” we happily allowed the fates of fashion to transport us all over the island from the historic town of St. George’s to the cosmopolitan capital city of Hamilton, and the glamorous Coral Beach & Tennis Club for rum swizzles on the terrace. Cheers!
