CEDARBRIDGE ACADEMY SCHOOL SONG

CedarBridge has been blessed
With truth and success
Where teachers and students unite
To fight the good fight of
excellence!

Days give way to years
Through laughter smiles and tears
We'll learn, we'll grow
In these few years
And we will continue to fight!

We are students of excellence
We are tomorrow's future
We'll turn Bermuda right around
And we've learned it all here!

Days give way to years
Through laughter smiles and tears
We'll learn, we'll grow
In these few years
And we will continue to fight!

Unity - Understanding - Success!

UNITY ♦ UNDERSTANDING ♦ SUCCESS

The Motto of CedarBridge Academy

UNITY

The bringing together of the sexes, religions and cultures of our island so that they understand, support, defend and respect each other.

UNDERSTANDING

The comprehension of the knowledge, skills and values that are taught, empathy with another's situation, and the acceptance and reconciliation of the differences in the world we live in.

SUCCESS

The growth of our youth into caring, responsible, educated and developed persons who are able to contribute to society in a very meaningful way.
