

UEFA Equivalent C License (sanctioned by B.F.A)

February 10-18, 2020 (part 1) & September 7-14, 2020 (part 2)

The Bermuda Football Coaches Association (**BFCA**) is pleased to offer their 8th Annual UEFA Equivalent C License Course. This two-part course will be led by Jacques Crevoisier, along with UEFA B License Coach Educators, and comprises classroom and on-field sessions, with individual assessments held at the end of the course. The course is sanctioned by the Bermuda Football Association (**BFA**).

During the last seven years over 200 coaches have obtained their C License through the BFCA.

Who is Jacques Crevoisier?

Jacques coached for the French Football Federation at Clairefontaine, winning the under 18 European Championship in 2000, and is a UEFA Senior Director for the Technical Department. He was also the first team coach at Liverpool FC from 2001 to 2003, consulted for Sochaux, St. Etienne and Monaco and provided psychology work at Arsenal and Tottenham (he has a degree in sports psychology.) Jacques is a regular match day commentator on English Premier League and other top European games and a regular public speaker.

Course objectives

This 40 hour course teaches participants the main principles of coaching – organizing and effectively running group sessions, developing age specific training and analyzing training sessions and matches. The course was designed using UEFA Licensing standards to create a specific Bermuda certification. Those participants achieving a score of 80 in their assessment will be considered as candidates to progress to the fully accredited UEFA B License, which is delivered by the Scottish FA. Each candidate for the C license course will receive the Coaching Handbook, three age specific coaching manuals.

Who is the C License course for?

The course is suitable for coaches with two or more years of experience, or have attained the pre-requisite Intro to Coaching certificate. Candidates are encouraged to be in reasonable physical condition and to be prepared to participate in drills being run by their fellow coaches.

Candidates who successfully complete the course will meet the licensing requirements of the BFA, along with SCARS and First Aid / CPR training, and will be eligible to coach at the children's and youth football levels up to U17.
