The Ministry of Public Works wishes to inform motorists that from Fractious Street to Wilkinson Avenue on to Harrington Sound Road and Paynter's Road in Hamilton Parish, BELCO will undergo trench work that will require a one-lane closure. This trench work will commence from north side of the Fractious Street BELCO substation going south to Wilkinson Avenue and then west on Harrington Sound Road to the junction with Paynter's Road. The trench work will only affect the eastbound lane with 200' section lengths at a time.

This lane closure will take place during Monday, July 6th, 2020 through Friday, October 2nd, 2020. Working hours will be from 8:00 am to 6:00 pm, weekly Monday through Sunday.

Traffic controls will be under the direction of BELCO representatives and will be managed through traffic control signals and stop & go signs during rush hours.

Motorists are advised to take due care when driving past these construction areas and avoid speeding.

The Ministry of Public Works wishes to encourage the full cooperation of the public and apologizes for any inconvenience that may result.
