THE CABINET OFFICE
OFFICE OF THE PREMIER

PREMIER, MINISTERS AND OPPOSITION LEADER PERSONAL STAFFS ACT 2019

ANNUAL REPORT

DECEMBER 2020

3rd December 2020

To: The Honourable Mr. Speaker
The Honourable President of the Senate

Mr. Speaker and Madame President,

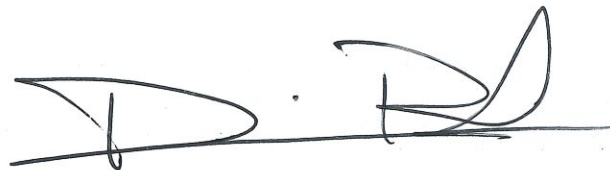

Pursuant to section 9 of the Premier, Ministers and Opposition Leader Personal Staffs Act 2019, I have the honour to submit for the information of both Houses a Report setting out those persons who have served on personal staff under the Act for the fiscal year 2019/20.

This Report was due on or before 31st May and owing to the priority of work in this extraordinary year of 2020 it has been delayed.

The women and men who enter public service under the provisions of this Act work exceptionally long hours and provide invaluable support to the Office of the Premier, Ministers and the Leader of the Opposition.

The addition of this annual reporting provision is a new and unique feature added to the 2019 Act to promote greater openness and understanding of the work done and value added to the workings of government.

I wish to thank all of those who have worked so hard during this reporting period and commend to both Houses this record of their functions for the fiscal year 2019/20 as required by law.
