Dear Premier,

I write to express my deepest appreciation to the Government and the People of Bermuda for their generous donation of 9,000 COVID-19 vaccines to the people of Trinidad and Tobago.

Your act of generosity was most timely as Trinidad and Tobago, along with so many other countries, continues to endure against the challenges created by the COVID-19 pandemic.

This act emphasizes the strength of our relationship within the Caribbean and epitomizes Caribbean integration and solidarity. Together, let us continue to advocate for vaccine equity and equality.

Trinidad and Tobago remains in your debt for this humanitarian act.

Please convey my warmest regards to the Government and people of Bermuda and let them know that they will always remain with us in our hearts.

Your sincerely,
