

MWI DIRECTORATE PLAN

BHB VISION

To pursue excellence through improvement, to make Bermuda proud.

BHB MISSION

To continuously strive to deliver the highest quality and safest care to our patients, every day.

MWI PURPOSE STATEMENT

To inspire strength, hope and wellness in our community by promoting independence, choice and person-centred support.

WHAT DO WE WANT TO ACHIEVE?

- 1 Transition care into the community and close the MWI site in the long term
- 2 Ensure active patient participation in our services using the recovery model
- 3 Use a needs-based approach to care that ensures people get care at the right time and place and from the right provider
- 4 Challenge the stigma and discrimination associated with MWI services

WHAT WILL BE AT THE CORE OF EVERYTHING WE DO?

The recovery model

Connectedness	Meaningful role
Hope	Empowerment
Identity	Self-determination
