This list has recently been updated to ensure that it complies with Pharmacy and Poisons Act 1979 s (17)(4), detailing the particulars of changes from the published Register of Pharmacies 2022.

Note 1: Indicates Registered Pharmacies that were previously removed from the gazetted list without explanation in previous years. These pharmacies have ceased operations but remain registered until such time that they are formally de-registered.

Note 2: For clarity, a new column has been included to show the Registered Pharmacies who have satisfactorily completed the 2022 inspection process and have a valid Certificate of Inspection for the year 2023.
