**EMERGENCY ROAD SECTION CLOSURE
FOR
WATER BREAK REPAIR WORKS**

COMMENCING MONDAY, JULY 31st, 2023 THROUGH WEDNESDAY AUGUST 2nd, 2023

The Ministry of Public Works wishes to inform motorists that there will be an emergency road section closure on Middle Road at the North Shore Road junction to allow for water break repair works to take place. The east and west bound lanes on Middle Road from North Shore Road to the connection road around the island median will be closed.

Traffic wanting to enter Middle Road from North Shore Road or vice versa will have to use the connection road to gain access to each road or travel via Harrington Sound Road to avoid the road closure.

The road section closure will commence on Monday, July 31st, 2023 through Wednesday, August 2nd, 2023. Working hours will be from 7:30am until 6:30pm or later to expedite the works.

Motorists are advised to use caution as they travel through the junction of North Shore Road and Middle Road and are advised to use Harrington Sound Road as a detour.

Traffic control will be managed by Ministry of Public Works representatives through barricades and warning signs.

The Ministry of Public Works encourages the full cooperation of the public and apologizes for any inconvenience that may result.

Should there be any questions regarding the road closure, please contact Mrs. Tina Beer-Searle, Principal Highways Engineer for the Ministry of Public Works at #501-3044.
